LEED AP

## Senior Architect

ceh@manning.xyz

Prior to joining Manning architects in 2017, Carrie has practiced architecture in Chicago, Atlanta, and Memphis, and brings an understanding of large projects and organizations to Manning Architects. Her experience includes: office buildings, health facilities, houses, hospitality, dormitories, classroom and studio facilities, campus centers, dining facilities, libraries, schools, courthouses, multi-family, and retail. Carrie's varied work experience has given her the ability to approach each project as a whole, and to master the complexity of its details, in order to ensure that the project runs smoothly from start to finish.
