

Kirk E. Oldenburg II, AIA, NCARB

LEED Green Associate

Architect

keo@manning.xyz

Kirk Oldenburg joined Manning Architects as a summer intern in 2012 and again as an Intern Architect in 2014. Since re-joining Manning Architects, Kirk has served as a project lead on a variety of complex hospitality, civic and educational projects. Kirk has extensive experience in managing the development of contract documents from schematic design through the construction documents phase. He has also performed construction administration on a number of fast-paced, large-scaled projects. Kirk is a licensed architect in the state of Louisiana, a member of the American Institute of Architects (AIA), and a LEED Green Associate.
