Founder | CEO

wrm@manning.xyz

For over 35 years, Wm. Raymond Manning's creative leadership has established Manning Architects with a local and national reputation in architecture, interior design, urban design, and planning. The core of his work has been the development, planning, and urban design of the city of New Orleans before and after Hurricane Katrina in 2005. In a post-Katrina New Orleans, he was responsible for spear-heading the Bring New Orleans Back Commission neighborhood planning process and the city's Master Plan and numerous other efforts to reinvigorate and restore the city.
